EXT. KOMPA DANCE STUDIO - NIGHT

Desiree and Zoey are outside of the Kompa class that Desiree has set up for them. Before going in, Desiree expresses to Zoey how excited she is to learn Kompa.

ZOEY

So where are you taking me?

DESIREE

Don't worry about it, must you know every detail about everything? (She smiles) I want to make up for last night not making it to dinner.

Desiree grabs Zoey's hand and looks into her eyes.

DESIREE (CONT'D)

Just know you are going to love it!

INT. KOMPA DANCE STUDIO - MOMENTS LATER

They walk into the class and take their position in the back of the room.

ZOEY

Is this a dance class?

DESIREE

I told you, you were going to love it.

The assistant walks in, welcomes everyone to the class, and starts talking about what Kompa is. She starts warming up with the class, and after a few minutes, she introduces the instructor.

CAROLE

Alright, everyone, Mr. Dominic Joseph is your instructor, and he will take it from here.

Desiree looks up and immediately gets flustered and starts acting weird.

ZOEY

Are you okay? You don't look too good.
