SPECIAL AGENT STOU DAMIRE

Shit! How in the hell is the house clean? (He looks over at AGENT MENDEZ and says) Didn't you guys say you seen him with the package?

AGENT MENDEZ

They must have known we were coming.

SPECIAL AGENT STOU DAMIRE

What the hell was in those brown bag he was carrying then?

INT. NATHAN MILLER OFFICE - AFTERNOON

Demetrius comes into the office and is greeted by Joanna, Nathan's new secretary.

JOANNA LOPEZ

Good afternoon, how may I help you today?

DEMETRIUS

I'm here to see Nathan.

JOANNA LOPEZ

Let me see if he's available. May I please get your name?

DEMETRIUS

Tell him Demetrius, he's expecting me.

JOANNA LOPEZ

Give me one moment, you can have a seat.

Joanna gets up to walk back to the conference room where Nathan is wrapping up a meeting with his team. Demetrius is mesmerized by Joanna's slim attractive figure. She makes her way there where everyone is starting to exit the room. Joanna walks up to Nathan and lets him know that he has a guest.

JOANNA LOPEZ (CONT'D)

Excuse me sir but you have a Mr. Demetrius here to see you.

NATHAN MILLER

Thank you, put him in my office and I will be right there.

Joanna walks back and escorts Demetrius to Nathan's office. Demetrius can't help himself and has to say something.

JOANNA LOPEZ

You can come with me Mr. Demetrius. I will have you wait in his office. He will be with you in a moment.

DEMETRIUS

Sorry, I didn't get your name.

JOANNA LOPEZ

My apologies, my name is Joanna.

DEMETRIUS

Joanna...God is gracious...

JOANNA LOPEZ

Excuse me...

DEMETRIUS

Your name... it means God is gracious.

In a flirtatious manner, Joanna responds back

JOANNA LOPEZ

Well, I guess it's me that should be gracious to be in your presence, Mr. Demetrius.

DEMETRIUS

I think we can find a way to make that arrangement.

As he stares her up and down like he wants to devour her.

Nathan and Ethan walks into his office. Demetrius greets them both with a firm handshake. Joanna exits the office, Demetrius's eyes follow her all the way out the door.

NATHAN MILLER

You like what you see? Huh

DEMETRIUS

Eh... You know... just something to play with. Now let's talk business... You know why I'm here.

NATHAN MILLER

You remember Ethan my head of security?

DEMETRIUS

Yes, pleasure to meet you again.

ETHAN WHITE

Likewise.

Nathan pulls out a bottle of whisky and glasses. He pours a cup for him and Demetrius.

NATHAN MILLER

So how is our little project coming along?

DEMETRIUS

So far everything is going as planned. Lets give our new Mayor a ring to see how everything is on his end.

Demetrius takes out his phone to dial Mayor Eric Johnson. Before he could, Joanna walks back in and distracts him.

JOANNA LOPEZ

Sorry to interrupt Mr. Miller but the city needs these documents signed by end of the day.

Joanna gives Nathan the documents and a pen to sign. Demetrius can't help himself and keeps staring. Nathan signs the documents and Joanna puts the pen in Nathan's pen holder on his desk.

JOANNA LOPEZ (CONT'D)

Thank you, sir. I will send these out right now.

NATHAN MILLER

You're really interested in Joanna
I see.

Demetrius tries to play it off again.

DEMETRIUS

I told you just something to play with.

Demetrius goes back to calling Mayor Johnson

MAYOR JOHNSON

Hello.

DEMETRIUS

Hello Mayor Johnson, I'm here with Nathan. We wanted to call you to congratulate you on your win.

Mayor Johnson excuses himself and steps away to take the call.

MAYOR JOHNSON

Demetrius, hey. Thank you, I couldn't have done it without the fine contribution from outstanding business owners such as yourselves.

NATHAN MILLER

It was our pleasure Mayor. The city needed a man like you to come and clean it up.

MAYOR JOHNSON

Thank you for the kind words.

DEMETRIUS

Mayor Johnson how's everything going with the redevelopment project?

MAYOR JOHNSON

Everything is on schedule. Why don't you both come by the Mayor's dinner and meet some of the other cabinet members who will see to it that the project is a continued success and will benefit everyone as well as the city of Orlando.

Mayor starts to walk back to his meeting.

MAYOR JOHNSON (CONT'D)

I have to get back to this meeting but we'll talk tomorrow.

DEMETRIUS

Ok mayor we'll continue this tomorrow.

Demetrius and Nathan toast their glasses together because they are happy to hear the good news.

NATHAN MILLER

Toast to a bright and successful future here in Orlando.

DEMETRIUS

Yes, I toast to that.

NATHAN MILLER

I just hope we don't have any problem with those animals. You know how they can get.

DEMETRIUS

I can't stand those MONKEYS.

Nathan burst out laughing and Demetrius can't help himself and joins in and gives another toast.

Little did they know that the pen that Joanna left in the room is secretly recording and video taping their whole conversation. She is disgusted at what she is hearing.

DEMETRIUS

You'd better not. Any word on this Zaza drug you said everyone is talking about?

IVAN

No boss. Just that everyone at the club is asking for it. I will ask around and see if I can get more info on it.

Natalia walks in and lets Demetrius know that his lunch is ready.

NATALIA

NATALIA

Demetrius honey, did you get the family tracking chips implanted into all of the kids apparel?

DEMETRIUS

Yes my love, I put one in all of the jeans, jackets, sweaters and all of Nicole's purses.

NATALIA

Thank you my love, with Nicole in college now, I'm worried about all of these young girls getting abducted.

DEMETRIUS

We have to keep track of our most valuable possessions. With these new chips we can pin point the kids or anyone of us to the millimeter.
