

JOANNA LOPEZ

Well, I guess it's me that should be gracious to be in your presence, Mr. Demetrius.

DEMETRIUS

I think we can find a way to make that arrangement.

As he stares her up and down like he wants to devour her.

Nathan and Ethan walks into his office. Demetrius greets them both with a firm handshake. Joanna exits the office, Demetrius's eyes follow her all the way out the door.

NATHAN MILLER

You like what you see? Huh

DEMETRIUS

Eh... You know... just something to play with. Now let's talk business... You know why I'm here.

NATHAN MILLER

You remember Ethan my head of security?

DEMETRIUS

Yes, pleasure to meet you again.

ETHAN WHITE

Likewise.

Nathan pulls out a bottle of whisky and glasses. He pours a cup for him and Demetrius.

NATHAN MILLER

So how is our little project coming along?

DEMETRIUS

So far everything is going as planned. Lets give our new Mayor a ring to see how everything is on his end.

Demetrius takes out his phone to dial Mayor Eric Johnson. Before he could, Joanna walks back in and distracts him.

JOANNA LOPEZ

Sorry to interrupt Mr. Miller but the city needs these documents signed by end of the day.
